DR. HOSTETTER'S STOMACH BITTERS.
Should be in the possession of everybody in the mining region. As a preventive of various dangerous diseases to which the gold seeker is liable, it has no superior. While it is quite palatable even as a beverage, it is speedy and powerful in its effects upon the system. In all cases of diarrhoea, dysentery, and the prevailing fevers consequent upon exposure, the bitters will be found invaluable as a corrective. No man should enter upon the exposed camp life of a miner without being provided with Hostetter's Preventive of stomach disease, nor should any of those who are now engaged in the occupation fail to have recourse to the Bitters. Sold by all druggists and dealers everywhere.

HOPE FOR THE AFFLICTED.—In another part of this paper will be found the advertisement of the celebrated Institute established by Dr. J. C. TAYLOR, in 1850. In this age of deceit and charlatanism it is a boon to the suffering to point out to them where they are sure of obtaining the wished for relief and cure. Under the care of the skillful Doctor at this sick and troubled can direct themselves of their burdens of pain; lay aside their cross, and secure health and happiness. If you are sick or in trouble, do not hesitate. Read the advertisement and follow the advice. Do not forget the number nor the manner of directing your letter. "Constitution Water."
THE ONLY REMEDY

For diseases of the Bladder, Kidneys, Gravel, Dropsical swellings, Genital debility, etc. Inflammation of the neck of the bladder, inflammation of the Kidneys and Catarrh of the Bladder, Strangury and Burning, or Painful Urinating, Calculus, Gravel, Brick Dust Deposits, and Mucous or milky discharges. For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most violent symptoms. TRY IT.
See advertisement. dec30 3m

MEDICAL CARD.—Success is said to be the criterion of merit. If this is so, Dr. Doherty is not an exception to the rule. Of the many physicians who advertise to cure the particular branches to which he has devoted his particular study, none has attained that wondrous and general practice which daily attend at his office. The great Record, of Paris, specially devoted his attention to the particular branch of Medicine denominated Specific and Chronic. Dr. Doherty has determined to do the same. Read his advertisement in another column, and the sworn statement of cures.

To the Afflicted.
Dr. W. K. Doherty returns his sincere thanks to his numerous patients for their patronage, and would take this opportunity to remind them that he continues to consult at his Institute for the cure of chronic diseases of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all private diseases, viz: Syphilis in all its forms and stages, Seminal Weakness, and all the horrible consequences of self-abuse, Gonorrhoea, Gleet, Stricture, Nocturnal and Diurnal Emissions, Sexual Debility, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, etc., etc., and he hopes that his long experience and successful practice of many years in Europe and the United States, he is enabled to apply the most efficient and successful remedies against diseases of all kinds. He uses no mercury, charges moderate rates, treats his patients in a correct and honorable way, and receives from men of known respectability and high standing in society. All parties consult him, by letter or otherwise, will receive the best and a genuine treatment and implicit cure.

READ THE FOLLOWING:
Dr. Doherty—Dear Sir: I feel my health so fully restored, that in common gratitude, I believe I should make you some written acknowledgment for your valuable services—particularly so as your fee was small for the work performed.

I arrived in this city from the East about one year ago, and was then suffering from an old case of Gleet, complicated with Stricture. Being a stranger in this city, and believing those Doctors who gave such positive assurances of success were necessary, I tried the best of whom I have a large number. I tried the best placed myself in their charge and could not under their treatment until I had lost nearly all hope and a considerable sum of money.

I wish to say now that you are the sixth Doctor I have employed, and the only one that has done me any service. My Gleet is wholly cured, the Stricture is all removed, and my general health is better than it has been for years.

In conclusion I would say to the many unfortunate who require medical advice, if you have any doubts as to whom you may employ, ask Dr. Doherty for my address and call and see me. (I keep store in this city.) My experience may save you many dollars.

I would also add that in the early stage of my disease, I used a large amount of the preparation advertised as an infallible cure for Gonorrhoea, Gleet, etc., but never derived any benefit from them. I am, Doctor, very truly yours, L. H. H.

SEMI-NAL WEAKNESS—A SWORN-TO CERTIFICATE OF MOST REMARKABLE CURE OF SEMINAL WEAKNESS.
A desire to benefit humanity, and effecting of gratitude to Dr. W. K. Doherty, alone impelled me to make this statement. For many years I have been afflicted with that fearful disease known as "Seminal Weakness," or Seminal Debility, the result of self-abuse, but till 1855 experienced but little trouble or inconvenience. In that year, however, I had Seminal weakness to an alarming extent, which was soon followed by the usual alarming symptoms, as weakness of the back and limbs, pain in the head, dimness of vision, nervousness and general debility. My mind, too, was afflicted to such an extent as to seriously impair my memory; my ideas were confused and spirits depressed. I was averse to society, had evil forebodings and self-distrust, and was entirely unadvised for any of the duties of life. From 1855 to the summer of 1862, I employed the very best medical talent I could find, and spent several hundred dollars, but in no instance obtained more than temporary relief. I had about concluded there was no relief for me in this world, but seeing Dr. Doherty's advertisement, I thought I would call and see him, as he charged nothing for consultation. I had an interview with Dr. Doherty at his office, in Sacramento street, and his fee for treatment was so reasonable, I determined to try his case, though I did not expect much benefit from his treatment. On the 5th of December last I placed myself under his care; in one week I found myself very much improved, and, now, after five weeks' treatment, I feel myself thoroughly cured of all my troubles and in the enjoyment of the best of health. Hoping that my experience may be of benefit to others similarly afflicted, I subscribe myself

Subscribed and sworn to before me, this 16th day of January, A. D. 1864.

To Females.
When a female is in trouble, or afflicted with disease, as weakness of the back and limbs, pain in the head, dimness of sight, loss of color, nervousness, irritation of the heart, irritability, nervousness, extreme urinary difficulties, derangement of digestive functions, general debility, vaginitis, all diseases of the womb, hysteria, sterility, and all other diseases peculiar to females, they should go or write to the celebrated female doctor, W. K. Doherty, at his Medical Institute, and consult him about their troubles and disease. The Doctor is effecting more cures than any other Physician in the State of California. Let no false delicacy prevent you, but apply immediately and save yourself from painful sufferings and premature death. All Married Ladies, whose delicate health or other circumstances prevent an increase in their families, should write or call at Dr. W. K. Doherty's Medical Institute, and they will receive every possible relief and help. The Doctor's offices are so arranged, that he can be consulted without fear of observation.

To Correspondents.
Patients residing in any part of the State, however distant, who may desire the opinion and advice of Dr. Doherty on their respective cases, or who think proper to submit a written statement of such, in preference to holding a personal interview, are respectfully assured that their communication will be held most sacred. Dr. Doherty takes this opportunity of assuring that all letters are only opened and replied to by himself, and the latter as promptly as possible. If the case be fully and candidly described, the usual fee of ten dollars enclosed, (by express or in a registered letter) personal communication will be superfluous, as instruction by letter, by registered mail, and the general treatment of the case itself (including the remedies) will be forwarded without delay, and in such a manner as to convey no purport of the letter or parcel so transmitted.

Consent of the office of the office. By letter, \$10. Permanent cure guaranteed, or no pay. Address, W. K. DOHERTY, M. D., San Francisco, California.
